<u>True Daily Earnings Method</u>: I promise to pay the cash advance plus the accrued interest to your order. I will make payments to you at the address above or as you direct. I will make the payments on the dates and in the amounts shown in the Payment Schedule.

LATE CHARGE

If I don't pay all of a payment within 10 days after it is due, you can charge me a late charge. The late charge will be 5% of the scheduled payment.

AFTER MATURITY INTEREST

If I don't pay all I owe when the final payment becomes due, I will pay interest on the amount that is still unpaid. That interest will be the higher of the rate of 18% per year or the maximum rate allowed by law. That interest will begin the day after the final payment becomes due.

PREPAYMENT

Scheduled Installment Earnings Method: I can make a whole payment early. Unless you agree otherwise in writing, I may not skip payments. If I make a payment early, my next payment will still be due as scheduled.

<u>True Daily Earnings Method:</u> I can make any payment early. Unless you agree otherwise in writing, I may not skip payments. If I make a payment early, my next payment will still be due as scheduled.

FINANCE CHARGE AND REFUND METHOD

For contracts using Scheduled Installment Earnings Method - Section 342.301 rate loans: The annual rate of interest is ______%. This interest rate may not be the same as the Annual Percentage Rate. You figure the Finance Charge by applying the scheduled installment earnings method as defined by the Texas Finance Code to the unpaid cash advance. The unpaid cash advance does not include the administrative fee, late charges, and returned check charges. If I prepay my loan in full before the final payment is due, I may save a portion of the Finance Charge. I will not be paid a refund if the refund would be less than \$1.00. You base the Finance Charge and Total of Payments as if I will make each payment on the day it is due. My final payment may be larger or smaller than my regular payment.

I have paid any points, administrative fee, or loan origination fee as prepaid interest. The administrative fee is earned at the time the loan is made and is not subject to refund. If I pay the loan in full early, you will refund any prepaid interest that would make the interest rate exceed the maximum rate allowed by law. Any refund will be credited to my account.

Any payment(s) that you accept after the final payment becomes due is not a renewal or extension of this Loan Agreement unless you agree in writing.

You will apply my payments in the following order: (1) interest that is due, (2) principal, (3) any other charges I owe.

For contracts using Scheduled Installment Earnings Method with prepayments option - Section 342.301 rate loans: The annual rate of interest is _____%. This interest rate may not be the same as the Annual Percentage Rate. You figure the Finance Charge by applying the scheduled installment earnings method as defined by the Texas Finance Code to the unpaid cash advance. I may make a full or partial payment early without paying a penalty. My early payments will reduce the principal that I owe. The unpaid cash advance does not include the administrative fee, late charges, or return check charges. If I make an early partial payment, the due date and amount of my next payment will not change unless you agree in writing.

I have paid any points, administrative fee, or loan origination fee as prepaid interest. The administrative fee is earned at the time the loan is made and is not subject to refund. If I pay the loan in full early, you will refund any prepaid interest that would make the interest rate exceed the maximum rate allowed by law. Any refund will be credited to my account.

Any payment(s) that you accept after the final payment becomes due is not a renewal or extension of this Loan Agreement unless you agree in writing.

You will apply my scheduled payments in the following order: (1) interest that is due, (2) principal, (3) any other charges I owe.

For contracts using True Daily Earnings Method - Section 342.301 rate loans: The annual rate of interest is _____%. This interest rate may not be the same as the Annual Percentage Rate. You figure the Finance Charge by applying the true daily earnings method as defined by the Texas Finance Code to the unpaid portion of the cash advance. The unpaid cash advance does not include the administrative fee, late charges, and return check charges. You base the Finance Charge and Total of Payments as if I will make each payment on the day it is due. You will apply payments on the date they are received. This may result in a different Finance Charge or Total of Payments. My final payment may be larger or smaller than my regular payment.

I have paid any points, administrative fee, or loan origination fee as prepaid interest. The administrative fee is earned at the time the loan is made and is not subject to refund. If I pay the loan in full early, you will refund any prepaid interest that would make the interest rate exceed the maximum rate allowed by law. Any refund will be credited to my account.

Any payment(s) that you accept after the final payment becomes due is not a renewal or extension of this Loan Agreement unless you agree in writing.

You will apply my payments as follows: (1) interest that is due, (2) principal, (3) any charges I owe.

DEFERMENT

If I ask for more time to make any payment and you agree, I will pay more interest to extend the payment. The extra interest will be figured under the Finance Commission rules.

DISHONORED CHECK FEE

I agree to pay you a fee of up to \$30 [\$25] for a returned check. You may add the fee to the amount I owe or collect it separately.

DEFAULT

I will be in default if:

- a. I do not timely make a payment to the person or place you direct;
- b. I break any promise I made in the Loan Agreement;
- c. I allow a lien to be entered against the Property unless you agree in writing;
- d. I sell, lease, or dispose of the Property;
- e. I use the Property for an illegal purpose; or
- f. you believe in good faith I am not going to keep any of my promises.

If there is more than one Borrower, each Borrower agrees to keep all of the promises in the Loan Agreement.
