

TEXAS STATE LIBRARY AND ARCHIVES COMMISSION

Local Schedule GR (Fourth Edition)

RETENTION SCHEDULE FOR RECORDS COMMON TO ALL LOCAL GOVERNMENTS

This schedule establishes mandatory minimum retention periods for records that are usually found in all local governments, regardless of type. No local government office may dispose of a record listed in this schedule prior to the expiration of its retention period. A records control schedule of a local government may not set a retention period that is less than that established for the record in this schedule. Original paper records may be disposed of prior to the expiration of their minimum retention periods if they have been microfilmed or electronically stored pursuant to the provisions of the Local Government Code, Chapter 204 or Chapter 205, as applicable, and rules of the Texas State Library and Archives Commission adopted under those chapters. Actual disposal of such records by a local government is subject to the policies and procedures of its records management program.

Destruction of local government records contrary to the provisions of the Local Government Records Act of 1989 and administrative rules adopted under it, including this schedule, is a Class A misdemeanor and, under certain circumstances, a third degree felony (Penal Code, Section 37.10). Anyone destroying local government records without legal authorization may also be subject to criminal penalties and fines under the Public Information Act (Government Code, Chapter 552).

INTRODUCTION

The Government Code, Section 441.158, provides that the Texas State Library and Archives Commission shall issue records retention schedules for each type of local government, including a schedule for records common to all types of local government. The law provides further that each schedule must state the retention period prescribed by federal or state law, rule of court, or regulation for a record for which a period is prescribed; and prescribe retention periods for all other records, which periods have the same effect as if prescribed by law after the records retention schedule is adopted as a rule of the Commission.

The retention period for a record applies to the record regardless of the medium in which it is maintained. Some records listed in this schedule are maintained electronically in many offices, but electronically stored data used to create in any manner a record or the functional equivalent of a record as described in this schedule must be retained, along with the hardware and software necessary to access the data, for the retention period assigned to the record, unless backup copies of the data generated from electronic storage are retained in paper or on microfilm for the retention period. This includes electronic mail (e-mail), websites, and electronic publications.

The use of social media applications may create public records. Any content (messages, posts, photographs, videos, etc.) created or received using a social media application may be considered records and should be managed appropriately. The retention of social media records is based on content and function. Local governments will need to consult the relevant records retention schedule for the minimum retention periods.

Unless otherwise stated, the retention period for a record is in calendar years from the date of its creation. The retention period, applies only to an official record as distinct from convenience or working copies created for informational purposes. Where several copies are maintained, each local government should decide which shall be the official record and in which of its divisions or departments it will be maintained. Local governments in their records management programs should establish policies and procedures to provide for the systematic disposal of copies.

A local government record whose retention period has expired may not be destroyed if any litigation, claim, negotiation, audit, public information request, administrative review, or other action involving the record is initiated; its destruction shall not occur until the completion of the action and the resolution of all issues that arise from it.

A local government record whose retention period expires during any litigation, claim, negotiation, audit, public information request, administrative review, or other action involving the record may not be destroyed until the completion of the action and the resolution of all issues that arise from it.

If a record described in this schedule is maintained in a bound volume of a type in which pages were not meant to be removed, the retention period, unless otherwise stated, dates from the date of last entry.

If two or more records listed in this schedule are maintained together by a local government and are not severable, the combined record must be retained for the length of time of the component with the longest retention period. A record whose minimum retention period on this schedule has not yet expired and is **less than permanent** may be disposed of if it has been so badly damaged by fire, water, or insect or rodent infestation as to render it unreadable, or if portions of the information in the record have been so thoroughly destroyed that remaining portions are unintelligible. If the retention period for the record is **permanent** in this schedule, authority to dispose of the damaged record must be obtained from the Director and Librarian of the Texas State Library and Archives Commission. A Request for Authority to Destroy Unscheduled Records (Form SLR 501) should be used for this purpose.

Certain records listed in this schedule are assigned the retention period of AV (as long as administratively valuable). This retention period affords local governments the maximum amount of discretion in determining a specific retention period for the record described.

Use of Asterisk (*)

The use of an asterisk in this fourth edition of Local Schedule GR indicates that the record is either new to this edition, the retention period for the record has been changed, or amendments have been made to the description of or remarks concerning the record. An asterisk is not used to indicate minor amendments to grammar or punctuation.

ABBREVIATIONS USED IN THIS SCHEDULE

AV - As long as administratively valuable

SECTION 1-1: RECORDS OF GOVERNING BODIES

Retention Note: SCOPE OF SECTION - The retention periods established in this section also apply to the records of subsidiary boards, bureaus, commissions, or committees established by the governing body of a local government that have rulemaking or quasi-judicial authority over any activity or program of the government or that were established by ordinance, order, or resolution for the purposes of advising the governing body or a subsidiary body on policy. Consequently, the use of the term “governing body” in a records description includes the corresponding records of those subsidiary bodies.

GR1000-03g	MINUTES	Supporting documentation - One copy of each document of any type submitted to a meeting of a governing body for consideration, approval, or other action; if such action is reflected in the minutes of the meeting.	2 years.	<p>Retention Notes: a) The retention periods for many of the documents submitted to a governing body for action are established elsewhere in this or other commission schedules and are often longer than the 2-year retention period for supporting documentation set here. The 2-year retention requirement does not override a longer retention requirement set elsewhere, but rather is meant to ensure that all documents presented for action by a governing body are retained at least two years. This schedule does not require that supporting documentation be maintained together, but the retention by the clerk or secretary to the governing body of one set of the documents submitted at each meeting (often called "council packets" in municipalities) for two years would ensure satisfaction of the minimum retention requirement. Clerks or secretaries to governing bodies should exercise caution in disposing of supporting documentation to avoid destruction of the record copy of a document for which they are custodian before the expiration of its retention period.</p> <p>b) Review before disposal; some supporting documentation, not already required to be maintained PERMANENTLY elsewhere in this or other commission schedules, may merit PERMANENT retention for historical reasons.</p>

PART 2: FINANCIAL RECORDS

Retention Notes: a) **AUDIT REQUIREMENTS** - Most local governments are required by state law to conduct annual or biennial audits of their records and accounts. These audit requirements were taken into account in setting the retention periods in this schedule. The following retention rules also apply:

- 1) In any local government for which there is no statutory audit requirement and audits are conducted irregularly or in a local government in which a statutorily required audit is delayed, any record in this schedule whose retention period dates from the end of a fiscal year (FE) must be retained for the retention period stated or one year after audit, whichever later.

2) With regard to any special fund of a local government or elective county office for which there is no statutory audit requirement and the fund is not audited, any records listed under item numbers GR1025-26, GR1025-27, GR1025-28, and GR1025-30 associated with receipts and disbursements from or to the fund must be retained for FE + 10 years.

* b) GRANT OR LOAN RECORDS - Subsections (1)-(3) apply to any local government, except school districts, receiving federal, state, or private grants; subsection (4) applies to school districts only. If a grant or loan requires a longer retention period than those stated in this schedule, the associated records must be retained for the full retention period required by the terms of the grant or loan.

1) Direct Federal Grants - This subsection applies to grants received by a local government **directly** from a federal grantor agency.

i) Federal grantor agencies require that grant-related records be retained for audit purposes for 3 years from the filing of required expenditure reports.

ii) In addition to item number GR1025-08(a)-(b), financial and programmatic records of grant-funded projects, including copies or documentation of relevant accounting, banking, purchasing, and payroll records, and other documents and working papers associated with the financial and programmatic administration of the grant funds or used to prepare reports or forms required by federal law or regulation must be retained for the following periods:

(A) For grants continued or renewed annually or at other intervals except quarterly that are not part of a multi-year funding cycle - 3 years from the date of submission of the annual or other periodic expenditure report.

B) For grants continued or renewed annually or at other intervals except quarterly that are a part of a multi-year funding cycle – 3 years from the date of submission of the annual or other periodic expenditure report for the final reporting period of the grant cycle.

C) For grants continued or renewed quarterly - 3 years from the date of submission of the expenditure report for the last quarter of the federal fiscal year.

D) For grants for which the requirement of a final expenditure report has been waived - 3 years from the date the report would have been due.

E) For all other grants – 3 years from the date of submission of the final expenditure report.

iii) The retention periods for the following types of records are exceptions to the periods noted above:

A) Records of non-expendable property or equipment acquired with grant funds - 3 years from the date of transfer, replacement, sale, or junking of the item.

B) Cost allocation plans and indirect cost records - 3 years from date of submission or, for plans prepared and retained by the grantee, from the close of the fiscal year covered by the plan.

C) Income records - 3 years from the end of the fiscal year in which the income is used.

iv) If any litigation or audit commences before the expiration of the 3-year period, the records must be retained until all litigation or audit findings are resolved or until the end of the regular 3-year period, whichever is later.

v) If records are transferred to the grantor agency at its request, copies of the records need not be retained.

2) Indirect Federal Grants - This subsection applies to federal grants received as subgrants from state agencies or other local governments (e.g., regional councils of government).

The expenditure reports are submitted to the federal agency by the state or local subgrantor agency after all subgrantees have submitted reports to the subgrantor. Consequently, records under item number GR1025-08(a)-(b) and records described in section (b) (1) must be retained by local government subgrantees for FE + 5 years. Local governments should consult with the state or local subgrantor agency to determine if there are additional or special requirements associated with a particular grant.

The local government must retain copies of reports or records submitted to the subgrantor agency for the periods indicated.

3) State and Private Grants - This schedule extends the 3-year federal retention requirement described in section (b)(1) to state (excluding federal subgrants) and private grant records unless the state or private grantor agency has established different retention requirements, in which case those requirements shall prevail. It is an exception to the extension of federal grant requirements to state and private grants that for state or private grants renewed quarterly as described in section (b) (1) (ii) (B), the 3-year retention requirement runs from the date of submission of the expenditure report for the last quarter of the state fiscal year for state grants and from the last quarter of the local government's fiscal year for private grants.

4) Grant Records and School Districts (including Educational Service Centers) - See Local Schedule SD (Records of Public School Districts). Because of the difficulty of effectively separating financial data that evidence the expenditure of federal funds from those that document the expenditure of local or state-allocated funds, a 5-year retention period has been adopted for most financial records of school districts. The use of the term "school district" in this schedule includes educational service centers, charter schools, county departments of education, and educational cooperatives.

SECTION 2-1: FISCAL ADMINISTRATION AND REPORTING RECORDS

PART 3: PERSONNEL AND PAYROLL RECORDS

Retention Notes: a) FEDERAL RETENTION REQUIREMENTS - Federal retention periods for personnel and payroll records arise principally from the administration of the Civil Rights Act of 1964, Title VII; the Age Discrimination and Employment Act of 1967; the Equal Pay Act; the Fair Labor Standards Act; the Federal Insurance Contribution Act; and the Federal Unemployment Tax Act. Various federal agencies or departments of agencies administer these acts and, because retention periods are set to enable each agency to carry out its particular oversight authority, different retention periods are often established for the same record. In compiling Schedule GR, the longest applicable federal retention period is cited as authority for the retention period indicated. A federal regulation is not cited if a state law or regulation requires a longer retention period. A federal retention period is also not cited if a Texas statute of limitations makes a longer retention period advisable. For example, the federal retention requirement for employment contracts [see item number GR1050-15(a)] is given as 3 years from the last effective date of the contract in 26 CFR 516.5, but suits in Texas may be brought by either party to such a contract within four years of the occurrence of an alleged breach; therefore a retention period of 4 years from the last effective date of the contract is set in this schedule. All retention periods in this part apply, by authority of this schedule, to all local governments, although some of them may be otherwise exempt from the federal requirement cited.

This provision does not require the creation by exempted local governments of any special documentation demonstrating compliance with federal regulations that may be required of non-exempted governments.

- b) **PERSONNEL FILES** - The individual employee personnel file is not scheduled as a unit in this section; documents normally placed in such files are scheduled separately.
- c) **TERMINATED EMPLOYEES** - Notwithstanding any retention periods in this part, all personnel records existing on the date of termination of an involuntarily terminated employee must be retained for 2 years from the date of termination [29 CFR 1602.31, 1602.40, and 1602.49].
- d) **JTPA AND CETA EMPLOYEES** - Any records maintained on applicants for or holders of positions paid in whole or in part from Comprehensive Employees' Training Act (CETA) funds or affirmative action apprenticeship program funds administered by the U. S. Department of Labor must be retained for 5 years from the date of enrollment in the program. [29 CFR 30.8(e)]. This 5-year retention period is extended by authority of this schedule to comparable records on applicants for or holders of positions paid in whole or in part from Job Training Partnership Act (JTPA) funds.
- e) **DEFINITION OF EMPLOYEE** - For the purposes of this part, the term "employee" also includes elected or appointed officials of a local government who are paid wages or a salary from any funds of the local government and anyone voluntarily working or not receiving payment or compensation for working.
- f) **PERSONNEL RECORDS IN SHERIFF'S DEPARTMENTS IN CERTAIN COUNTIES** - The Local Government Code, Section 157.904, provides that sheriff's departments in counties with a population of 3.3 million or more shall maintain "a permanent personnel file on each department employee." The precise contents of a personnel file are not specified, but three groups of records are expressly mentioned. Consequently, any record in item numbers GR1050-03, GR1050-07, and GR1050-21, all of which are records of a type mentioned in the statute, must be retained permanently. The sheriffs and their legal counsel should determine what other records may be includable in a permanent personnel file in sheriffs' departments subject to the law.

PART 5: INFORMATION TECHNOLOGY RECORDS

Retention Notes: (a) This part establishes retention periods for records essential to the creation, maintenance, and use of electronic records (information recorded in a form for computer processing including data, graphics, digital images, multi-media records, etc.) and records related to computer operations/technical support not covered elsewhere in this schedule. Records in this part may be maintained on whatever medium is appropriate including electronic (on-line, magnetic tape, optical disk, CD-ROM, etc.), paper, and microform.

(b) Other types of records may be maintained electronically that are listed elsewhere in this schedule, such as administrative, fiscal, personnel, and support services records, or in other specialized schedules adopted by the Texas State Library and Archives Commission, such as Local Schedule PS (Records of Public Safety Agencies), Local Schedule HR (Records of Public Health Agencies), etc. The retention period for those electronic records will be as specified under the appropriate records series item number according to the function of the information. For example, if an electronic system were used to maintain encumbrance and expenditure reports, the retention period for these electronic records would be 2 years

as specified in item number 1025-04(d). Retention requirements apply to records maintained on all types of electronic systems including mainframe, minicomputer, microcomputer, local-area-network based systems, etc.

c) Administrative rules of the Texas State Library and Archives Commission (13 TAC 7.71-7.79) require that retention procedures for electronic records with an approved retention of 10 years or more must include provisions for scheduling the disposition of the electronic records as well as related software, documentation, and indexes; and for regular recopying, reformatting, and other necessary maintenance or conversion activities to ensure the retention and stability of electronic records until the expiration of their retention periods.

d) If automated information is copied to paper or microform to create the official record, the electronic files do not have to be maintained for the full retention period of the record. The added value of electronic files for facilitating retrieval, making queries, providing for automated audit trails, etc., should be carefully reviewed prior to destruction of the electronic files even though there is an official record in another medium.
