Annual Index

This index represents the compilation of the year 1987 and is inclusive of state agency activities for January-December 1987.

Regular publication of state agency activities will resume with the next issue, February 5, 1988.

How To Use the Annual Index

The Annual Index to the *Texas Register* consists of two sections:

- Agency Guide
- TAC Titles Affected
- Open Meetings

The Agency Guide section is a compilation of the agency activity since January of this year. The arrangement of agency names is alphabetical, with agencies listed by the first key word in the name (Corrections, Texas Department of). Schools are listed under their full names (Texas A&M University System) unless the first word is "university" (Houston, University of).

Under each agency entry, the rule chapter titles are alphabetized followed by the types of action taken during the last year. Each subchapter title affected in that chapter is alphabetized under the applicable type of action (emergency, proposed, withdrawn, adopted). Following the rules is a listing of nonregulatory notices. This list is a compilation of items found in the "In Addition" section of the *Texas Register* and other nonregulatory information, such as gubernatorial appointments.

Requests for opinions, opinions, and open records decisions of the Office of the Attorney General, and the administrative decisions of the Comptroller of Public Accounts are also included in the Agency Guide section. They are arranged numerically by the numbers assigned by the issuing agency. Brief subject descriptions are provided for the contents of each ruling. Entries that refer to actions of the Office of the Attorney General are designated by abbreviations in both the Agency Guide section and the Subject Terms section: RQ—request for opinion; JM—opinion of the Attorney General Jim Mattox; ORD—open records decision.

The section on TAC Titles Affected is a list of the chapters of each title of the *Texas Administrative Code* affected by documents published from July through December. The listings are arranged in the same order as the table of contents of the *Texas Administrative Code*.

The *Texas Register* invites comments and suggestions for improvement in future indexes. Comments may be directed to this office at P.O. Box 13824, Austin, Texas 78711-3824, (512) 463-5561.
