Annual Index

**Volume 4, Numbers 1 - 96
January - December 1979**

Office of the Secretary of State

NOTES ON THE ISSUE

This issue contains the 1979 Annual Index. The cumulative index for Volume 4 combines the first three quarterly indexes of 1979 with an index to the issues of the last quarter (October through December 1979, numbers 74 through 96). The open meetings which were published in issues from January through September have been omitted; otherwise, this cumulation supersedes the earlier indexes, dated April 27, July 31, and October 30.

Regular publication of state agency activities will resume with the next issue, February 1.

Cover illustration represents Elisabet Ney's statue of Stephen F. Austin, which stands in the foyer of the State Capitol.

TEXAS REGISTER

The *Texas Register* (ISSN 0362-4781) is published twice weekly, at least 100 times a year, except January 4, May 30, September 5, December 2, and December 30, by the Texas Register Division, Office of the Secretary of State, 201 East 14th Street, P.O. Box 13824, Austin, Texas 78711, telephone (512) 475-7886. The *Register* contains executive orders of the governor; summaries of attorney general's opinions and summaries of requests for opinions; emergency rules, proposed rules, and adopted rules of state agencies; notices of open meetings; and miscellaneous notices of general interest to the public of Texas. Subscriptions are \$40 for units of Texas state government and nonprofit schools and libraries in Texas, and \$60 for all others. Six-month subscriptions are also available for \$30 and \$45, respectively. Back issues, when available, are \$1.50 each.

This index has two principal types of entries: those *originated* by a governmental body (agency, office, and so forth), which are headed by a ***boldface italic type***, and those *about* a governmental body or other subject. If the agency entry is sufficiently descriptive and detailed, no subject entry appears. The arrangement is alphabetical, word by word, with a few exceptions.

State bodies are arranged by their first key words. Schools are arranged under their full name (Texas A&M University), unless the first word is university (Houston, University of). Regional state agencies are arranged under their full names (Deep East Texas Council of Governments).

State bodies as subject entries are arranged first under the agencies' names. The rules submitted by that body follow with emergency rules first, followed by proposed rules, and then adopted rules. Within each group the rules are arranged numerically, as published in the *Register*. Meetings, hearings, and so forth are arranged chronologically according to the dates of the gatherings. Opinions, requests for opinions, and open records decisions from the attorney general are arranged numerically by the numbers assigned by that office.

Divisions of agencies are under the parent body unless the division has its own three-digit number. (Listings of the agencies and their numbers appear in Volume 1, Number 1, and in the first index, Volume 1, Number 33.) Thus the Governor's Criminal Justice Division is under Governor, Office of the, Criminal Justice Division.

The requests for opinions, opinions, open records decisions, and letters advisory of the attorney general and the administrative decisions of the comptroller include brief subject descriptions of their contents. Entries that refer to actions of the attorney general are designated by abbreviations: AG—attorney general; RQ—request for opinion; H—opinion of Attorney General John Hill or MW—opinion of Attorney General Mark White; ORD—open records decision; LA—letters advisory.

The laws of the state referenced in this index appear under the heading "laws of Texas" rather than under their titles.

The *Texas Register* invites comment and suggestions for improvement in future indexes. Comments may be directed to this division, P.O. Box 13824, Austin, Texas 78711, telephone (512) 475-7886.
