How To Use the Texas Register

Texas Register

The *Texas Register* (ISN 0362-4781) is published twice a week at least 100 times a year. Issues will be published on every Tuesday and Friday in 1984 with the exception of January 28, July 10, November 27, and December 28, by the Office of the Secretary of State, 201 East 14th Street, P.O. Box 13824, Austin, Texas 78711-3824, (512) 475-7886.

Material in the *Texas Register* is the property of the State of Texas. However, it may be copied, reproduced, or republished by any person for any purpose whatsoever without permission of the *Texas Register* director, provided no such republication shall bear the legend *Texas Register* or "Official" without the written permission of the director. The *Register* is published under Texas Civil Statutes, Article 6252-13a. Second class postage is paid at Austin, Texas, and additional entry offices.

POSTMASTER: Please send Form 3579 changes to the Texas Register, P.O. Box 13824, Austin, Texas 78711-3824.

Information Available: The ten sections of the *Register* represent various facets of state government. Documents contained within them include:

- Governor—appointments, executive orders, and proclamations
- Secretary of State—summaries of opinions based on election laws
- State Ethics Advisory Commission—summaries of requests for opinions and opinions
- Attorney General—summaries of requests for opinions, opinions, and open records decisions
- Emergency Rules—rules adopted by state agencies on an emergency basis
- Proposed Rules—rules proposed for adoption
- Withdrawn Rules—rules withdrawn by state agencies from consideration for adoption, or automatically withdrawn by the *Texas Register* six months after proposal publication date
- Adopted Rules—rules adopted following a 30-day public comment period
- Open Meetings—notices of open meetings
- In Addition—miscellaneous information required to be published by statute or provided as a public service

Specific explanations on the contents of each section can be found on the beginning page of the section. The division also publishes monthly, quarterly, and annual indexes to aid in researching material published.

How To Cite: Material published in the *Texas Register* is referenced by citing the volume in which a document appears, the words "TexReg," and the beginning page number on which

that document was published. For example, a document published on page 2402 of Volume 6 (1981) is cited as follows: 6 TexReg 2402.

In order that readers may cite material more easily, page numbers are now written as citations. Example: on page 2, in the lower left-hand corner of the page, would be written: "9 Tex-Reg 2 issue date," while on the opposite page, page 3, in the lower right-hand corner, would be written "issue date 9 Tex-Reg 3."

How To Research: The public is invited to research rules and information of interest between 8 a.m. and 5 p.m. weekdays at the *Texas Register* office, 503E Sam Houston Building, Austin. Material can be found by using *Register* indexes, the *Texas Administrative Code* (explained below), rule number, or TRD number.

Texas Administrative Code

The *Texas Administrative Code* (TAC) is the approved, collected volumes of Texas administrative rules.

How To Cite: Under the TAC scheme, each agency rule is designated by a TAC number. For example, in the citation 1 TAC §27.15:

1 indicates the title under which the agency appears in the *Texas Administrative Code* (a listing of all the titles appears below);

TAC stands for the *Texas Administrative Code*;

27.15 is the section number of the rule (27 indicates that the rule is under Chapter 27 of Title 1; 15 represents the individual rule within the chapter).

This issue represents the 1983 Annual Index. The cumulative index for Volume 8 combines the first three quarterly indexes of 1982 with an index to the issues of the last quarter (October through December 1983, numbers 74 through 96). The open meetings which were published in issues from January through September have been omitted; otherwise, this cumulation supersedes the earlier indexes, dated May 4, July 30, and October 29.

Regul. publication of state agency activities will resume with the next issue, February 4.

Annual Index

The Annual Index to the *Texas Register* consists of five sections:

- Agency Guide
- Subject Terms
- Appointments and Replacements
- Open Meetings
- TAC Titles Affected

The Agency Guide section is a compilation of the monthly guides published for each of the previous three months. The arrangement of agency names is alphabetical, with agencies listed by the first key word in the name (Corrections, Texas Department of). Schools are listed under their full names (Texas A&M University System) unless the first word is "university" (Houston, University of), and regional governmental bodies are listed under their full names (Deep East Texas Council of Governments). All agency names appear in capital letters. The 1983 Agency Guide is published in a separate volume.

Under each agency entry, the rule chapter titles are alphabetized followed by the types of action taken during the last year. Each subchapter title affected in that chapter is alphabetized under the applicable type of action (emergency, proposed, adopted). Following the rules is a listing of non-regulatory notices. This list is a compilation of items found in the "In Addition" section of the *Texas Register* and other non-regulatory information, such as gubernatorial appointments.

Requests for opinions, opinions, and open records decisions of the Office of the Attorney General, and the administrative decisions of the Comptroller of Public Accounts are also included in the Agency Guide section. They are arranged numerically by the numbers assigned by the issuing agency. Brief subject descriptions are provided for the contents of each ruling. Entries that refer to actions of the Office of the Attorney General are designated by abbreviations in both the Agency Guide section and the Subject Terms section: RQ—request for opinion; JM—opinion of the Attorney General Jim Mattox; ORD—open records decision.

The Subject Terms section provides access to the subjects covered by rules appearing in the *Texas Register*. Subject entries appear in capital letters and are listed alphabetically. Crossreferences to preferred subject terms (DAY CARE CENTERS see CHILD CARE FACILITIES) and to subject terms supplying additional information on a similar topic (HIGHER EDUCATION see also COLLEGES AND UNIVERSITIES) are also provided. Agency names are included in this section only when there is information about a particular agency. Laws, both state and federal, appear in the Subject Terms section under the heading "Laws of Texas" and "Laws of the United States," respectively.

The Appointments and Replacements section is an alphabetical listing of personal names of appointees to positions in state government. The abbreviation "A" or "R" following the name indicates the status of the appointment: appointed or replaced. Users wishing access to an appointment by the agency name rather than by a personal name should consult the Agency Guide section. Agencies to which appointments have been made are listed alphabetically under GOVERNOR, OFFICE OF THE, under "Non-Regulatory Notices."

The Open Meetings section is a list of all open meetings published during the last quarter. Meetings are listed under the agency holding the meeting, chronologically by the dates of the meeting.

The section on TAC Titles Affected is a list of the chapters of each title of the *Texas Administrative Code* affected by documents published from July through December. The listings are arranged in the same order as the table of contents of the *Texas Administrative Code*.

Page numbers in the June 4, 1982, issue were incorrect and will appear in parentheses in this index. Correct page numbers will immediately precede each parenthesis.

The *Texas Register* invites comments and suggestions for improvement in future indexes. Comments may be directed to this office at P.O. Box 13824, Austin, Texas 78711-3824, (512) 475-7886.
